

CITY OF HOMER  
HOMER, ALASKA

RESOLUTION 94-9

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HOMER, ALASKA REQUESTS THE KENAI PENINSULA BOROUGH ECONOMIC DEVELOPMENT DISTRICT CONDUCT AN ENERGY ANALYSIS/ASSESSMENT OF THE SOUTHERN KENAI PENINSULA BOROUGH.

WHEREAS, the Homer Economic Development Commission at their regular meeting of January 11, 1994, asked the City Council to consider a Resolution requesting the KPB EDD to assess all existing and potential energy sources on the Kenai Peninsula including natural gas, electricity, fuel oil, wood, solar, wind, coal, steam and co-generation potentials; and

WHEREAS, the Homer Economic Development Commission developed the Overall Economic Development Plan (OEDP) for the City of Homer; and

WHEREAS, the energy analysis is consistent with the KPB EDD's OEDP and specifically consistent with Homer's EDC's OEDP; and

WHEREAS, the goal of the proposed energy analysis/assessment is to reduce the cost of energy to business and the residents of Homer and the Southern Kenai Peninsula; and

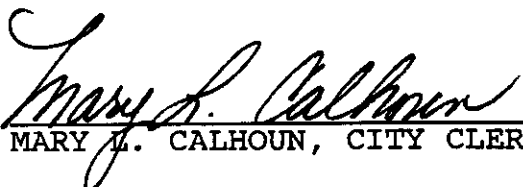

WHEREAS, this analysis/assessment will allow the City of Homer, the Kenai Peninsula Borough and the citizens of the area to better assess the potential benefits of alternative energy sources for both the near and long-term future.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Homer requests that the Kenai Peninsula Borough Economic Development District conduct an Energy Analysis/Assessment of the Southern Kenai Peninsula Borough.
